

## **Office Relocation Notice**

We are pleased to hereby inform you that our head office will relocate from Akasaka Biz Tower to **Otemachi One Tower**, effective **June 1, 2026**.

Our new office is in a highly convenient area, close to the Imperial Palace, Otemachi Station, and Tokyo Station, and adjacent to the Mitsui & Co. Building in the Otemachi One district. The building is a state-of-the-art office facility developed as a joint project between Mitsui Fudosan Co., Ltd. and our shareholder, Mitsui & Co., Ltd.

Amid increasing global uncertainty and ongoing structural reforms in the steel industry, we are committed to strengthening our collaboration with Mitsui & Co. Ltd. By leveraging the collective strength of Mitsui as a group entity, we will continue striving to meet and exceed the expectations of all our valued business partners.

The new office has been designed to promote smoother communication among our employees, supporting individual growth and fostering flexible thinking and innovative proposals, which are elements essential to our company's success. In addition, we have introduced furniture made from green steel and recycled materials to play a part in sustainable future.

We sincerely look forward to welcoming you to our new office.

Hisaya Sakata  
President & CEO  
Mitsui & Co. Steel Ltd.
